

20TH ANNIVERSARY CELEBRATION

The Southern Plains Land Trust (SPLT) is excited to celebrate our 20th Anniversary on Friday, October 19, 2018. We'll hold our 20th Anniversary Celebration at the SPACE Gallery in Denver from 6pm-10pm. All of the proceeds from this vital event help SPLT acquire shortgrass prairie land and protect it permanently for wildlife. This is SPLT's most important night of the year.

Colorado's Front Range is losing wildlife habitat at an alarming rate and with it native plants and animals. SPLT has an elegant solution to this problem: we buy land in areas where habitat is inexpensive and where there are still relatively large and natural properties available, and we set it aside for native animals and plants, forever.

So far, we've protected over 25,000 acres in southeastern Colorado. Our current focus is to pay off the remaining \$1 million for the expansion of Heartland Ranch Nature Preserve to 18,000 acres. At nearly 30 square miles, Heartland is larger than any one of Colorado's state parks.

As a result of protective management SPLT's properties flourish with wild creatures - such as burrowing owls, golden eagles, and prairie dogs. Our preserves are also home to beautiful prairie wildflowers and rare endangered plants. Thanks to our collaboration with the Summerlee Foundation we have restored an exciting missing element to our preserves, a herd of happy bison.

SPLT's 20th Anniversary Celebration is Friday, October 19, 2018, from 6pm-10pm at the SPACE Gallery in Denver's Santa Fe Art District. We expect 200 guests to attend this event, which will include delicious food, fine wines from Bonterra Organic Vineyards, and a terrific silent auction. Please consider sponsoring the event or donating an item to our auction. Any donation you make will be tax-deductible to the extent allowed by law, as we are a 501(c)(3) non-profit organization.
